CLEVELAND & WEST CHESTER, OH – February 11, 2020 – Cleveland-Cliffs Inc. (NYSE: CLF) (“Cliffs”) and AK Steel Holding Corporation (NYSE: AKS) (“AK Steel”) today announced that they have extended the expiration date in connection with the previously announced exchange offers (each, an “Exchange Offer” and, collectively, the “Exchange Offers”) by Cliffs and consent solicitations (each, a “Consent Solicitation” and, collectively, the “Consent Solicitations”) by AK Steel Corporation, a wholly owned subsidiary of AK Steel, to 6:00 a.m., New York City time, on March 13, 2020 (as the same may be further extended, the “Expiration Date”). All other terms of the Exchange Offers and Consent Solicitations remain as set forth in the Offering Memorandum and Consent Solicitation Statement (as defined below). As previously announced, the requisite consents have been received to adopt certain amendments to each of the indentures (the “AK Steel Indentures”) governing the notes issued by AK Steel Corporation subject to the Exchange Offers and Consent Solicitations (the “AK Steel Notes”) to eliminate certain of the covenants, restrictive provisions and events of default from such indentures (the “Amendments”).

As previously announced, Cliffs and AK Steel have entered into an Agreement and Plan of Merger (the “Merger Agreement”) providing for, among other things and subject to the satisfaction or waiver (to the extent lawful) of certain conditions, the merger of a subsidiary of Cliffs with and into AK Steel, with AK Steel surviving as a wholly owned subsidiary of Cliffs (the “Merger”).

The Exchange Offers are being made pursuant to the terms and subject to the conditions set forth in the offering memorandum and consent solicitation statement dated January 14, 2020 (as amended to date, the “Offering Memorandum and Consent Solicitation Statement”), and are conditioned upon the closing of the Merger and the satisfaction of certain other conditions described in the Offering Memorandum and Consent Solicitation Statement. Cliffs and AK Steel Corporation currently expect that the Expiration Date will be extended to coincide with the date of the consummation of the Merger. As a result, the Expiration Date may be extended one or more times. Cliffs currently anticipates providing notice of any such extension in advance of the Expiration Date. The settlement date is expected to be on the Expiration Date. Cliffs and AK Steel Corporation reserve the right to terminate, withdraw, amend or extend the Exchange Offers and Consent Solicitations as described in the Offering Memorandum and Consent Solicitation Statement. Tendered AK Steel Notes may be withdrawn at any time prior to the Expiration Date.

As of 3:00 p.m., New York City time, on February 11, 2020, the principal amounts of the AK Steel Notes set forth in the table below had been validly tendered in the Exchange Offers and not validly withdrawn.

<u>Title of Series/CUSIP Number of AK Steel Notes</u>	<u>Aggregate Principal Amount Outstanding</u>	<u>AK Steel Notes Tendered as of 3:00 p.m., New York City time, on February 11, 2020</u>	
		<u>Principal Amount</u>	<u>Percentage</u>

AK Steel Corporation and the trustee under the AK Steel Indentures (the “AK Steel Trustee”) have executed supplemental indentures to each of the AK Steel Indentures to effect the Amendments. However, the Amendments will not become operative unless and until: (i) Cliffs delivers to The Depository Trust Company for the Eligible Holders (as defined below) of applicable AK Steel Notes the aggregate amount to be paid to such Eligible Holders as consent payments, upon the terms of and subject to the conditions set forth in the Offering Memorandum and Consent Solicitation Statement in respect of the consents validly delivered and not revoked thereunder, and Cliffs or AK Steel Corporation notifies the AK Steel Trustee in writing that such delivery has been made, which condition cannot be waived by Cliffs or AK Steel Corporation, (ii) the AK Steel Notes that are validly tendered (and not validly withdrawn) in the Exchange Offers have been accepted for exchange by Cliffs in accordance with the terms of the Offering Memorandum and Consent Solicitation Statement, (iii) the Merger has been consummated, which condition cannot be waived by Cliffs or AK Steel Corporation and (iv) the other conditions to the Consent Solicitations have been satisfied or otherwise lawfully waived, if applicable, by Cliffs or AK Steel Corporation.

The Offering Memorandum and Consent Solicitation Statement and other documents relating to the Exchange Offers and Consent Solicitations have been and will only be distributed to Eligible Holders of AK Steel Notes who complete and return an eligibility form confirming that they are either (a) a “Qualified Institutional Buyer” as that term is defined in Rule 144A under the Securities Act of 1933, as amended, or (b) a person that is outside the “United States” and is (i) not a “U.S. person,” as those terms are defined in Rule 902 under the Securities Act of 1933, as amended, and (ii) a “non-U.S. qualified offeree” (as defined in the Offering Memorandum and Consent Solicitation Statement) (such holders, the “Eligible Holders”).
